SUMMARY

Dynamic Web Developer with over 5 years of experience specializing in building high-performance, responsive web applications. Proven track record of transforming Figma designs into pixel-perfect UI components and optimizing front-end performance to improve user engagement and retention. Expert in advanced front-end technologies, I effectively self-manage independent projects and excel in collaborative team settings. Committed to delivering innovative solutions that align with and further the company's mission.

SKILLS

- **Core Front-End:** ReactJS, NextJS, Redux, TypeScript, JavaScript (ES6+), HTML5, CSS3, Drupal, Laravel

EXPERIENCE

NetObjex India Pvt Ltd (04/2023 - 04/2024) – Web/UI Developer

- Spearheaded the development and management of reusable UI components, ensuring seamless implementation and design consistency.
- Owned the full front-end lifecycle, delivering high-quality, cohesive execution from conceptualization to final deployment.
- Designed and optimized modern layouts to significantly enhance website aesthetics and user experience.
- Architected robust front-end frameworks to ensure optimal performance and reliable cross-device functionality.
- Conducted rigorous cross-browser testing and troubleshooting to guarantee quality and responsiveness across all platforms.
- Leveraged advanced testing tools and CMS platforms while collaborating with cross-functional teams to deliver projects on schedule.

- Partnered closely with UX designers to translate Figma prototypes into functional, high-fidelity web interfaces.

Coincrowd Ltd (07/2021 - 07/2022) – Web Developer

- Spearheaded the management of all UI components, overseeing their seamless implementation.
- Assumed responsibility for the entire frontend spectrum, ensuring a cohesive and effective execution from start to finish.
- Designed layouts to enhance the aesthetics and appearance of the website.
- Collaborated with UX designers to implement the concept and design in Figma of the website.
- Troubleshoot websites on different browsers to determine quality.

Radical Slack Ltd (05/2019 - 06/2021) – Web Developer

- Created frameworks to detect functionality and establish smooth performance.
- Worked with different testing tools and frameworks, content management systems, and cross-functional teams to smoothly complete projects.
- Collaborated with UX designers to implement the concept and design in Figma of the website.

EDUCATION

B.Tech – Rajasthan Technical University (06/2009 - 07/2013)
